

Greased Lightning

Hard Surface Cleaner and Degreaser

GREASED LIGHTNING is a fast, effective multi-purpose formulation that cleans and degreases surfaces in seconds. This high performance, biodegradable formulation removes oil, grease and dirt from metal, plastic, painted woodwork, rubber, carpets and upholstery. Greased Lightning leaves floors, walls and surfaces spotlessly clean. Simply Spray and Wipe!

DIRECTIONS FOR USE

Greased Lightning can be applied using a pressure washer, manual sprayer, or mop.

- Dose into washer or sprayer.
- Apply to affected area and scrub in with a stiff broom or floor scrubber.
- Wipe away with a cloth or rinse with clean water.
- Always use appropriate PPE when handling chemicals.

DOSING INSTRUCTIONS

| CLEANING TECHNIQUE | USAGE INSTRUCTIONS | DILUTION |
|--------------------|---|---|
| Pressure Washer | Insert detergent hose into container. The pressure washer then auto-doses the product. | See manufactures instructions for more details. |
| Manual Spray | Spray onto affected area and scrub in. Rinse with clean water or wipe with a clean cloth. | Neat or 50:50 |
| Mop | Dilute into water and apply to affected areas. Agitate if needed. Rinse thoroughly. | 50:50 |
