

SANITAIRE

Emergency Clean Up Powder

Sanitaire is a revolutionary, biodegradable, non toxic emergency treatment for the safer control of all accidents involving body fluids, such as vomit, urine and blood, as well as food and drink spillages.

Sanitaire is ideal for absorbing spillages for all taxi, coach, bus, trains and emergency service vehicles.

Sanitaire will absorb up to 200 times its own volume and is produced as a white powder with a subtle floral fragrance.

- Biodegradable
- Formulated for emergency use
- Fast acting—instantly deodorises
- Economical to use
- Super absorbent

APPLICATION

Suitable for use on all surfaces and fabrics, even upholstery. Used in hospitals, nursing homes, schools, hotels, prisons, pubs & kennels. Used by local authorities, emergency services, transport & travel companies.

TECHNICAL INFORMATION

FORM	powder
ODOUR	floral
APPEARANCE	free flowing white powder
SOLUBILITY	forms a gel in water
WATER ABSORBANCY	up to 200x
SPECIFIC GRAVITY	0.64—0.66 (water = 1)
%VOLATILE	non volatile

DIRECTIONS

Sprinkle Sanitaire liberally over the spillage and contaminated area and wait for about 90 seconds.

Sanitaire will absorb the spillage and trap odour-bearing droplets within an inert jelly that can then be scooped or swept up with a stiff brush. Dispose of into a toilet or suitable receptacle.
