5.3. Advice for firefighters

Special protective equipment	: Fight a fire where aerosols are involved from a protected position. Use adequate respiratory equipment in
for fire-fighters	case of insufficient ventilation.

SECTION 6 ACCIDENTAL RELEASE MEASURES

6.1. Personal precautions, protective equipment and emergency procedures

According to Regulation (EU) No 453/2010

Personal precautions	Danger of slipping. Clean up spills immediately. Wear shoes with non-slip soles. Avoid contact with spilled or released material. Do not breathe vapours and/or spray. Keep away from sources of ignition — No smoking. Build up of highly flammable gasses involves an explosion risk. Vapours are heavier than air. Build up (of gasses) in low areas involves risk of suffocation.	
6.2. Environmental precaution	ns	
Environmental precautions Other information	 Avoid release of product into sewers, surface water and/or ground water. Notify authorities if any exposure to the general public or the environment occurs or is likely to occur. 	
6.3. Methods and material fo	r containment and cleaning up	
Methods for cleaning up	: Collect spilled material in containers. Collect cans in an approved container. Do not pierce aerosols. Wash away remainder with plenty of water and soap.

Handling	 Handle in accordance with good occupational hygiene and safety practices in well-ventilated areas. Important: Pressurized container; protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use. Keep away from sources of ignition — No smoking. Do not spray on a naked flame or any incandescent material. Do not spray near fire, sources of heat or live electrical equipment. Electrostatic discharge may cause fire. Ensure electrical continuity by bonding and grounding (earthing) all
	equipment. Do not breathe spray. Do not breathe vapour. Avoid contact with skin and eyes. rage, including any incompatibilities
Storage	: Keep frost-free, in a cool (< 35°), dry and well-ventilated place. Protect from sunlight and keep away from heat.
